SAMUEL SIMON SCHMUCKER SOCIETY

We thank you for remembering the Seminary in your estate planning.

The Samuel Simon Schmucker Society is named after one of the most influential persons in the Seminary's founding and early history. It honors those who mirror that devotion by providing for the Seminary with a planned gift of any amount or type. Planned gifts help the Seminary provide for the future and to continue the mission that Schmucker envisioned for the Seminary in 1826. Gifts may take the form of: an inclusion in a will; a life insurance policy; remaining interest on a retirement plan; joint ownership of an asset; retained life interest in personal residence; a charitable gift annuity; a pooled income fund; a charitable remainder trust; a charitable lead trust; remaining interest in a revocable living trust; or another planned gift that fits into a person's particular estate goals.
